Oceania

With over 50 voyages, PONANT EXPLORATIONS offers itineraries across Australia and New Zealand, from Darwin to Broome and Cairns to Dunedin. Golden beaches give way to dark red cliffs, misty waterfalls to shimmering reefs, and prosperous vineyards to arid deserts. These lands of striking contrasts reveal the stories of past generations while showcasing the living spectacle of nature. The vast, sparsely populated landscapes of the Kimberley Coast, Australia's West Coast, rugged Tasmania, and dramatic New Zealand share remarkable natural beauty, deeply revered by indigenous cultures with rich spiritual traditions. This provides an overview of the extraordinary sights and experiences offered on an Oceania cruise.
